Old Timers, we need you to donate one item at registration that can be used for event prizes or the missions auction. We are asking that donations for prizes equal a **\$25** value. Donations for the missions should be whatever God places on your heart!

Finally, we all recognize that COVID has a huge impact on our lives. We are having Adventure/Trace and ask that everyone observe social distancing and be respectful of each persons personal concerns or reservations regarding COVID. The Chapter staff will examine best practices to keep our membership safe.
